INTERIOR JOINERY

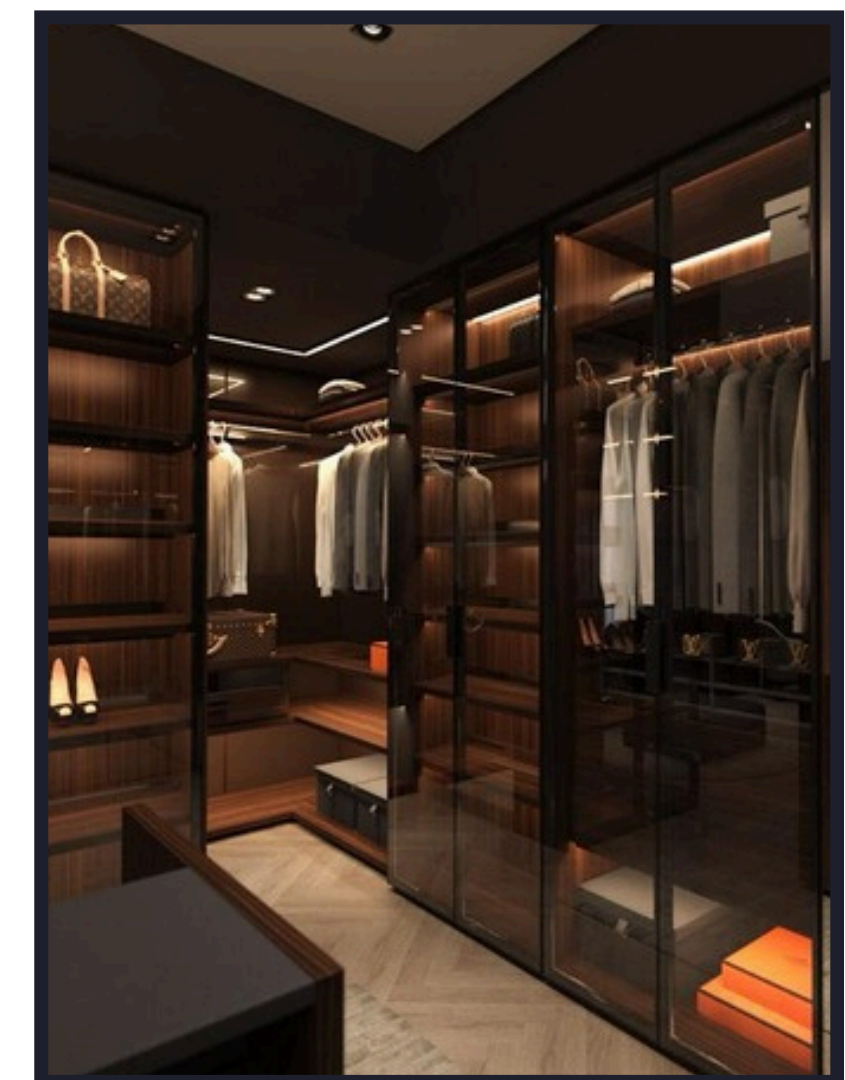

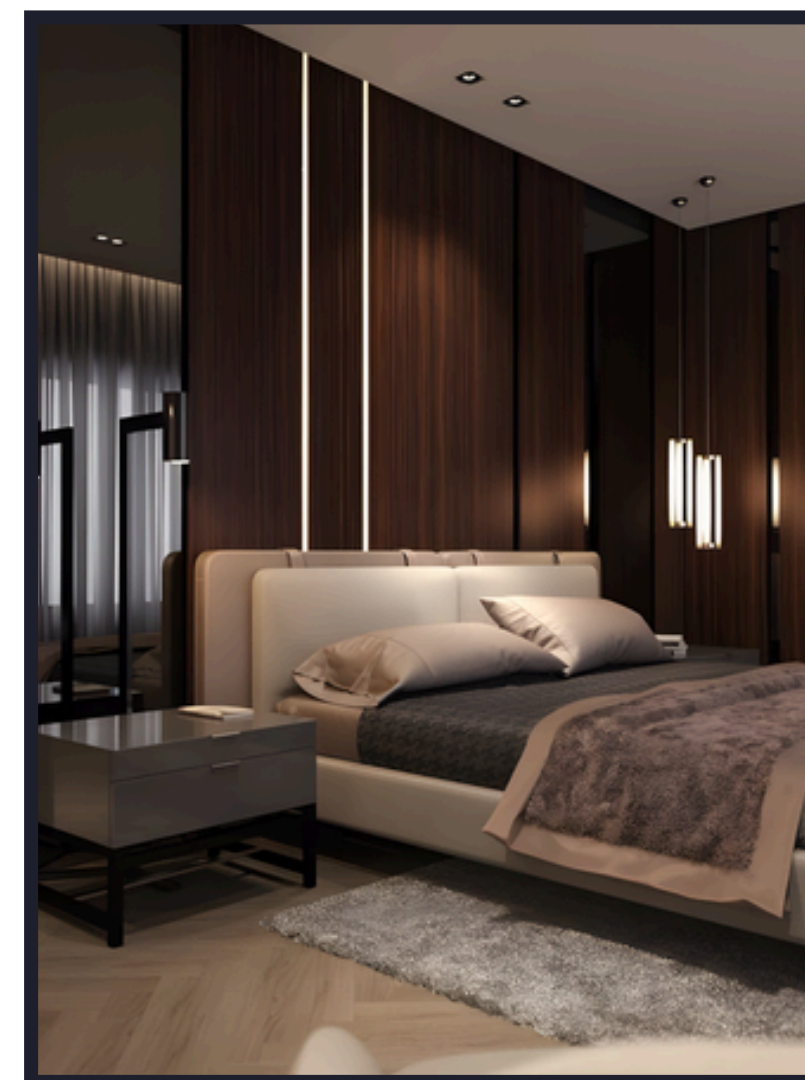

Each project is an invitation to elegance. We create **bespoke** interior designs that combine the art of wood, marble, ceramic, and exceptional finishes. Our creations are designed to enhance your space, blending contemporary design with noble materials.

Our Commitments :

- **Bespoke Design** : A creative approach that reimagines each project to perfectly reflect your style and needs.
- **Premium Materials** : Woods sourced from Austria and Germany, along with carefully selected marbles and ceramics, ensuring unparalleled quality.
- **Artisanal Expertise** : Each piece is crafted by our expert artisans, guaranteeing meticulous finishes and refined details.
- **Innovation and Elegance** : We incorporate modern and subtle elements, such as backlighting and mirrors, to enrich your spaces' aesthetics.

The Art of Creating the Exceptional

With Auréane Design, each project is a unique masterpiece, designed to blend refinement and functionality. We offer you high-end solutions that transform your interior into an exceptional space.

DESIGN & INTERIOR CREATION

Each project, a universe where imagination comes to life.

We design and create bespoke layouts that push the boundaries of possibility. Each creation is crafted **to combine boldness and functionality**, transforming your spaces into unique and inspiring places.

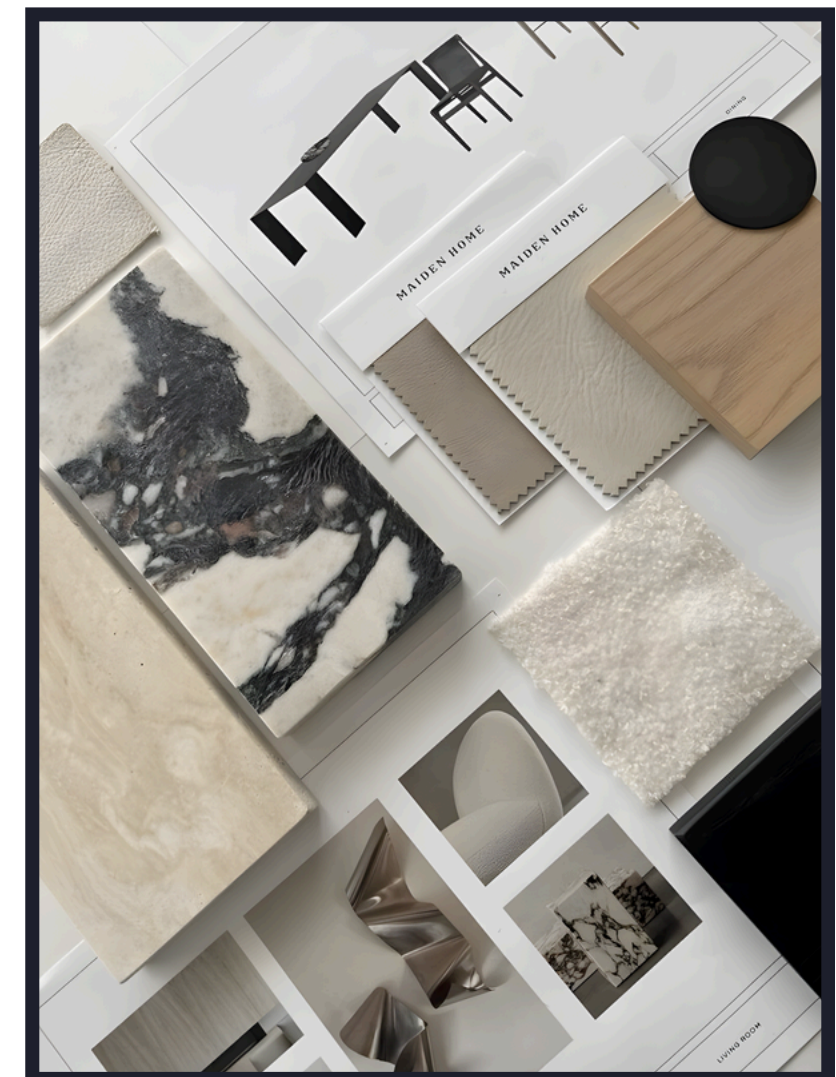

Our Commitments :

- **Unlimited Creativity** : An innovative approach that reinvents every project to perfectly reflect your vision and exceed your expectations.
- **Turnkey Solutions** : From design to execution, every step is handled by our team, ensuring seamless consistency and fluidity.
- **Total Adaptability**: We blend creativity and pragmatism to offer solutions tailored to your needs, constraints, and budget.
- **Innovation and Technical Expertise** : Each project combines modern ideas with proven craftsmanship, with special attention to details and finishes.

The Art of Bringing Your Ideas to Life

With Auréane Design, every project becomes an exceptional achievement where aesthetics meet precision. We transform your inspirations into spaces that reflect your identity—functional and timeless.

Dream big, we'll take care of the rest.

CONSTRUCTION SECONDARY WORK

Each project is a **controlled and elevated architecture**. Thanks to our prestigious teams and technicians, we ensure the design and execution of all your projects, no matter how ambitious they may be. We are able to meet every architectural and aesthetic constraint. **Auréane Design supports you from the start of your project to the handover of the keys to your future villa.**

Our Commitments :

- **Comprehensive Project Management :** We oversee your entire project, from design to execution, paying attention to every detail. Our teams ensure smooth and responsive management for a flawless final result that meets your requirements.
- **Creativity and Technical Mastery :** With our expertise, we create tailored solutions that blend innovation and high-level technicality, ensuring projects that meet your expectations, no matter how complex.
- **High-End Solutions :** Each project is an opportunity to push the limits of what's possible. We select the finest materials for unique creations, adapted to your specific needs.

With Auréane Design, every project becomes an exceptional achievement, where innovation and mastery transform your ideas into functional and timeless living spaces.

From idea to reality: we bring your projects to life.

MINIMALIST JOINERY

Each space, a perfect harmony between design and functionality.

With our expertise in high-end minimalist joinery, we create designs where glass, aluminum, and clean lines blend to offer a **seamless connection between interior and exterior**. Our large glazed surfaces, carefully recessed, bring exceptional light while creating a comfortable and contemporary space. Each creation reflects a **meticulous and precise approach**, where elegance meets modern comfort.

Our Commitments :

- **Timeless Aesthetics** : Premium materials and a clean design for lasting elegance.
- **Indoor-Outdoor Connection** : A perfect harmony where your spaces open to the outdoors with ease.
- **Absolute Comfort** : Our large glazed surfaces, combining aesthetics and functionality, slide smoothly with a light touch or can be motorized for even more intuitive use.
- **Engineering Excellence** : Technical mastery for precise installation and optimal reliability.

The Art of Enhancing Your Spaces

With Auréane Design, each minimalist joinery project becomes a sensory experience where comfort, design, and innovation intertwine to create unique and inspiring spaces.
